Thx...

Need a plan to feel secure (day to =ay) enough to be productive and creative.

So how =oes this sound -

1. Talk to Bill this week (shoul= I ask about the DAF and mention Bill Helman or leave that you?)
2. Put Mara on hold
3. Think t=rough a strategy to work w Econet / Strive and present it to him in late S=pt in NYC and decide soon after
4. By mid October=will have decided on next private sector opportunity

Other considerations...

- my s=condment is safe and enjoyable... Can I build an Econet story full time vs=while still at World Bank (Sept 2015 expires)

- what to do about medical practice and staying current (now doing on weeke=ds and holidays) as it is too valuable to me. Strive happy to allow me fin= a way to stay current and he thinks it is cool

- personal stuff with Steve as I need my own money to have a decent lifesty=e and he is not likely to make more. Don't want to take his money or m=ke him feel threatened that anyone is trying. I did help him along every s=ep of the way and we have most properties in joint names. That's hard.=So he either gives me something or I make something but I can't really=go anywhere without some financial security. I Always want a positive and =micable relationship with him as you know how bitter and vindictive he can=be. He's a very smart and thoughtful person. I honestly think he is an= has been in love with [REDACTED] (that plastic surgery person from msft) since=they dated like 20 years ago and I think he missed her a ton. I don't =now how to find out if they are having an "affair" but I think i= has been ongoing 20 years. They are in constant communication. She is wor=ied about losing money from her loser second husband and not likely to div=rce. I've asked him about her once or twice over our 15 years together=and he's obstructive and dismissive which makes it sound like a denial=guilty but hard to tell. He has pretty high integrity in other ways but ot=ers have hinted to me in past years about his relationship with [REDACTED]. Mos=ly as just dysfunctional but I think there is something more. I hope so, i= it makes him happy. He's not happy now.
