**Subject:** trust open items

As a followup re art in 1997 Trust (APO 2) and further review of certain works.

Items not showing up by Raiche Ende Malter

BECKMANN, MAX      &nb=p;    The Last duty of Perseus

VAN RUISDAEL, JACOB    A shepherd & his flock=approaching farm buildings

There was apparently a simultaneous purchase of the above and sale of various Kandinsky's and sales proceeds netted.  
= However the amount of USD recd is sufficiently large to question if the above were purchased by trust.

NOGUCHI, ISAMU      &n=sp;    Bindu      =      NOT SHOWING BY RAICHE

No evidence of this item as having been paid for with cash by the trust. Invoice is in file.

A few other items need cost tied out to bank statements.
