We have been awaiting the account of the trust. Could you let us know when we can expect to receive it?

In addition, do you have any knowledge of a valuation that was performed for my IP. Max seems to think that it was once started and then stopped. Could you please let me know about this as soon as possible.

We would also like to know about the status of the estate planning that you have been drafting that you mentioned on Aug 31 that you would be sending to us.
