Salud =awrence,

Yesterday I publicly announced our Patagon Reef =lean Up Initiative.  
Please check [gofundme.com](http://gofundme.com).  
I sure will appreciate your comments and  
opinion.

It will be an underwater effort to free the Coral Reefs of =ass Cay Marine Reserve from all the hurricane debris  
resting atop of =he corals.

The Ritz Carlton is allowing Patagon to use our dive shop as =ur base of operations.

Jeffrey Epstein may be interested to give support. The sea =hores of his two Islands are part of the  
delimitations of the Cass Cay Marine Reserve.

If you consider =ppropriate, please Lawrence, see if you can reach out to him.

Wish you a great time on our next vacation.  
In Chile, I presume you are going to tour the Giant Magellan Telescope.  
Hope you will write a piece on that.

Warm Regards,  
Arnoldo
