Subject: Eric Roth / door seal

Jef=rey,

Eric will work the iPhone charger as soon as we can locate new style charging dock for VIP location,. I have Islip Maintenance set for install of upgraded door seal regulator as soon as we are confirmed for Boeing's return to service after test flight.

-If your still willing to use charter aircraft for 20DCA trip on Thursday, this will allow me to focus on test flight of Boeing on Tuesday and Wednesday, if good test flight, I can bring to Palm Beach,.

=0A
-Meridian Charter quoted Hawker 900XP round trip price =21,019.13 total, I will research lower cost options. possible =etSuite?
