Thank you for your email. It shows to me that we missundersta=d and misscommunicate eachother. I understand and respect that you have dif=erent views and ideas. You can evaluate my work as low as you want. Its int=rsting that regarding models you always say that you dont want to judge the=r behaviour, but its so easy for you to bring me down. I cannot agree with w=at you wrote though. I tried to fallow your directions. I really did. Not o=ly assisting stuff. Regarding agency, irs and personal live. </=iv> I've heard ct=ticism before so i made some changes, hoping to not receive negative opinio= in the future. During last visit i acctually did type at my room, watched v=deo you've sent me, tried stretching positions, tried to learn different ma=sage techniques types, printed and read about biz ettiquette and calls. I w=s cooking, doing massage and facials for you as best as I could. I see that=this is not good enough and word "you are great" has no value. Its clear to=me that you are unhappy with my results. Perhaps i should reject your propositions of e=ertainment too.. Also i cant agree that "beauty" is so important to me. It i=n't... I have other priorities in my live.

There are other things I missundersto=d like africa, singing cd or even earlier - school? I'm not gonna ask for t=at nomore, I'm not gonna ask for anything, but its appears to me that it wo=ld never happen anyway.

I'm sorry to write all this, but you told me that being honest=is very important...

I am your friend. Thank you for that, thank you for great time an= everything...

A=I best,

<=iv dir="ltr">I am your friend, I am also your employer, but I=am you friend first. I am very concerned that you have lo=t your way. I have given you my best advice . I res=ect that you have your own views and desires. Had i been in you= place I would have spent time on learning to type. organzieing a biz=calendar, learning biz etiquetee, massage, stretching, other physical=things, throughout your last visit, I heard can I have an hour f=r tennis, can I have time to swim. can I have time to exc=rcise, can I have singing lessons, can I have time to sing for b=rkely, NOT one time, did you ask if you could have time to prac=ice massage, typing, learning something of value, you are=disciplines when it comes to how you look , you look great, how=ver that requirement of modeling years is over. and their are other more im=ortnat things to do if you want to be secure in the future, I d=n't know what happened the last time you were in poland , but i know you ha=e not been the person i know. Amy asked me over and over , if you wer= feeling well. (you had not asked her on the plane to help, serve, a=sit) you just slept in your chair then in the bed, and that was after=crying in the morning re the irs (or at least that is the reason you=gave). I believe in you, I understand you, I seem unable to communic=te the need to grow up.
