[REDACTED] suggested that she claim absolutely no expenses in 2016. To me, this sends up a red flag given that she has had expenses since the company's inception and in 2016 she had nearly [REDACTED] in income (for= [REDACTED]).

I ran this by the CPA to get his opinion=given that the 2014 audit is still open. He said that every year stands on its own and she should claim all appropriate expenses for the year.

[REDACTED] asked that I run this all by you to=get your opinion.

I'd like to get this wrapped up this week.

Are there any changes that should be made to [REDACTED]'s 2016 taxes or can we get them filed?
