[REDACTED] su=gested that she claim absolutely no expenses in 2016. To me, this se=ds up a red flag given that she has had expenses since the company♦=99s inception and in 2016 she had nearly [REDACTED] in income (for [REDACTED]).

I ran this by the CPA to get his opinion given that t=ee 2014 audit is still open. He said that every year stands on its ow= and she she should claim all appropriate expenses for the year.

[REDACTED] asked that I run this all by you to get your opi=ion.

I'd like to get this wrapped up this=week.
