Hi Elina – my director called me and said th=re was a mistake on the prepayment amount. She is having the account=ng dept go over all the amounts between the 2 units (28D and 35D) and will=let me know. I counted the days in September you were there that was used up from the first prepayment you made. =o probably the difference will be for those days. But I will get the=details and let you know. Sorry.
