If you can convince Elon musk to fund (huge credibility) =nd help me attenuate Greg I think we can do it.

16 months could go to 37 african countries. The rest would be easier over t=me. Will need to secure "landing rights" but could also package =overeign lending pkg for gateway (base station) build out in each. Might b= able to also get a deal through the AU.

I need a real title or the leaders won't listen to me but you are right=ceo is gross. President might be good. Would need a reasonable ceo who wou=dn't get in the way.

When can we start?
