Last week I was trying to go through a lot of crap in =y safes. There were some old bonds that P&S =ad. I went to cash them in because bonds only pay interest =or 30 years and these bonds were from the 70's. = had the death certificates, power of attorney from Paula (which turns =ut is moot after one dies) will, and a signed and notarized delegation =rom you. Some bank moron in the legal department could get his =ead around this, so the branch manager just bypassed him by getting a =reen light for you.

Trying to =et rid of a lot of stuff so that Jason and Serena don't have to =o through this same ordeal in years to come.

Linda =isenstein is coming to NY this week. Do you have any interest in =eeing her?
