Greetings Sir, Anna had two captains lined up for barge but was told by Mr Kahn not to use them. I am concerned that if I have to do all the barge runs I wont be able to complete the nanna carpet job. I have to unglue the red carpet, sand old glue off, remove windows for painting black, remove handles and lights, and then install carpet and assemble back. Please advise if we can get barge captain for monday and tuesday.

Thank you respectfully  
Carlos
