I have been th=inking about the best way to market the house.

Ordinarily I m=ight suggest giving pocket listings to Moens, McCann and someone at Sotheby= (Condon or Wally Turner). But we might also list the house with onl= one.

What do you th=ink of asking all but Moens to make listing presentations including price r=commendations. Darren and I could then question each of McCann, say Cris C=ndon, and one other on this. Moens I doubt will do this ... he will find i= offensive.. so we will figure something else out for him maybe just a pho=e call.

What is your c=oice?
