Thank you for caring!

As far as I know, there are no real restrictions on the visa, except when c=anging the salary mid-term (I get a new one starting from April). Even the=, it is just red tape. I gather that the real issue seems to be about HR p=licies at the MIT. If the salary gets unusually high for a research scient=st, this may attract scrutiny from higher up.

Generally, it would be good if the Media Lab is convinced that funding will=happen in the year afterwards, too, because they won't extend my visa =eyond the funded period. Applying for a new one takes a lot of jumping thr=ugh hoops, and also means flying the whole family to the consulate in Berl=n.
