Regarding the project: it is currently on hold becaus= my husband got full time job to pay the bills. He is not motivated enough=to work after his work. I've been learning some programming on my own =ut the process is too slow. I was thinking to take an immersive ♦=A0programming class ((<http://www.hackreactor.com/>)) but I can't afford it now= So, the project is not moving but I'm not giving up and will make it =appen. I think, if I get better at programming I can motivate my husband t= to work with me.

We could talk more =bout the project and figure out if and how you can help.

<=r>

If those days good, I will go ahead and by pla=e tickets. I will not need the car, I will take a train.

Thank you for your willingness to help. I appreciate it.

Hi Jeffrey,

I just want to give you an update.

I haven't find any non-for profit that will accept money for [REDACTED] project. We are working on the project but progress is slow.

I might be in NYC at the end of November or beginning of December if I can find a place to stay. =/div>

Thank you again for the gift that you made last year.
