need more information than that there is not thing as a "genera prac=ice residency" do you mean an internal medicine residency"= I'd need her name, I can ask as a courtesy to have her interviewed but the residency match is a totally computer driven thing= You interview where you're invited, you as the interviewee rank=the institutions and they rank you and hopefully a "match" is made, this is nothing a human can intervene in ie Match day is in March and it's an infamous day all over the country everybody= is waiting to see where they matched.

Pls put me directly in touch with her and I'd like a copy of her C= and a confirmation of what program she's applied to and I'll reac= out to that Chairman and ask that she be interviewed, Happy to do =whatever I can to help
