Dear Mr. Jeffrey Epstein,

We understand from Dr. Bruce Moskowitz that you are interested in participating in Hospital for Special Surgery's Premier program. We are excited by the opportunity and hope to schedule you for a session in December or January 2015 at a time that is most convenient to you.

In case Dr. Moskowitz did not mention it to you, this program is a full day-experience starting at 7:30am and ending at 5pm on our Upper East Side campus. We will also coordinate with the members of your care team to secure any necessary medical information in advance.

If preferred, please forward me on to your assistant to finalize scheduling logistics, and payment details. Once we secure a date, the next step will be to send you an online Medical Intake Form to start your assessment before you arrive. This allows us to tailor the day to your specific needs and wellness goals. If you have any questions, please feel free to reach out to me directly.

We look forward to meeting you and creating a personalized plan to help drive you towards a healthier and stronger lifestyle!

Once again, please feel free to pass me along to your administrative assistant to begin the scheduling process.

Thank you,

Westley
