Would it make sense for me to meet with Larry Summers to get his =houghts on BitCoin? I'd actually like some of his thoughts on the =ecord for my book if possible. Do you think he'd be interested in =eeting? Would either of you guys want to join the meeting or be willing =o make the introduction? I think I'd bring Jeremy Rubin my BitCoin =roject head to the meeting and maybe Jeff Howe, my co-author as a =cribe.
