IF you shoot next summer movie , in new york , we would ha=e more fun. . why not , rich new yorkers (the cla=sic images that you talked about , everyone wanting to see how they live)=i vs poor gang .. hypocrisy , pseudo morality♦=A0 , delusions of grandiosity. pervade both groups. old =uy engagining in a visual fantasy imagining young poor /hot gi=l her nude in his bed contrasted with the girl imagining him=C2♦ nude with his walker. Horatio Alger finds less scruples =n his new location.?
