Hello Jeffrey

I have one more question . This is about apt .

Now I'm living at [REDACTED] and because this apt is the oldest. I have a problem with all my bathroom and so on .

I don't know what to do . Maybe should I move for repair and construction time to another place ? At the moment we have 8 a - small studio , not done yet with some boxes inside and [REDACTED] where were staying Your guest .

Thank You .
