Hi [REDACTED],

Things have been busy, but we are in a good spot.

Tomorrow we will be at the beginning of our first external round. It is a complex raise, but since we need=1.5b, its just the way things are.

You know our mission. We are going to need to operate in virtually every country. I would like to talk to you about having you head up our government relations team.

Let me know a good time. Things are going to start to get interesting...

Hope all is well,
Greg
