Jeffrey

We confirmed both motor and Transmission in California is correct parts., we=have expedite service to run parts thru repair shop (not overhaul) so we ca= obtain serviceable tags for paper work required for FAR125., we have been p=omised Friday completion and should have counter to counter in Palm bch la=e Friday or Saturday morning., install is 4 hours., Unit price for both Motor and transmission price \$6,200.00 I feel our current motor will work, but to guarantee I'll purchase the moto= as well, if you agree?

Thx  
Larry
