Thanks Jeffrey.

Hi Larry. I've heard a lot about you through Jeffrey and Reid.=br>

I'm the director of the MIT Media Lab and one of the things that I'm =oing is Pl'ing the MIT BitCoin Project where we are giving \$100 of bitcoin=to all undergrads to experiment. I'm also working with various government =gencies including Treasury including Anne Wallwork who I think you know. I'm also fairly connected to the BitCo=n developer community.

I'm trying to pull together a multi-stakeholder meeting about the fut=re of BitCoin at MIT soon. I'm also generally trying to talk to smart peop=e about BitCoin and cryptocurrencies as we approach an important point in =t's development.

It would be great if I could get on your calendar and bring one of my=kids, Jeremy Rubin, who runs the BitCoin project.
