Hi Lesley.

The Symposium day was very exciting, and it was terrific to have Joscha =ach with us. Please thank Jeffrey for arranging to have him join the =roup.

We'll be editing video from the various sources that we shot during the =ymposium, and we'll have ways to watch it (web, and I'm sure that we =an also make a DVD).

In fact, tomorrow we are having our administrative follow-up meeting and =he dominant thing on the agenda are decisions about how to edit, budget =or the editing, and so forth.

Our overall plan is to have good video ready within a month!

Before that, I am sure that we will have some highlights (or at least =he parts that are easier to edit), as well as still photos, ready.
