Wanted to follow up on our call earlier this week to say we appreciate the call and your concern as a friend to Mort. Further, as you indicated, we also appreciate that you will refer future matters to our attention too when Mort calls. As you can imagine, Jamie and I want what is in Mort's best interest and want to avoid situations where he hears comments that could be construed as alarming to him when presented without all the relevant facts or are at cross purposes to what is being done or what has been put in place.

In the meantime, I hope you are enjoying the warmth and clear blue skies in the Caribbean.

Best
