when i asked [REDACTED] and valdson what was included they could not elaborate..  
i asked them to get a printout from dealer and they obtained but claimed they did not understand what was on list other than xles or geobox

in addition i asked why do we need to bring car every 6 months if it is rarely used valdson replied with that is the law - seems a bit unrealistic are you ok if we pass on euro plan?  
please advise  
thank you

Good morning Rich,

Would you please call me - valdson is taking the car for an inspection today and is asking me to translate certain important info for you.

We can save a few thousand euro if we get a 5 year insurance plan (4280 euro), otherwise each inspection costs at least 700 (that's the price for today's inspection, when the car is still new). And inspections are obligatory every 6 months. Please advise

Thank you
