Hi Jeffrey,

could I speak with you on the phone?? I can't help you if you don't reply back to me. I don't understand w=y there is radio silence. I need to know about the following so I can set =t up asap. They are:

- \* <=div dir="ltr">a guest editor page at Scientific American-- with the quant=m article linked to it. I need your contact person there.
- \* 3 feature articles waiting for publication (Tyler-- you have=t gotten back to me about this)
- \* Bloomberg BusinessWeek listing: I need confirmation that we can use a financial entity with basic filings.

I'm working on drop down menus on your main websites because =oogle will then list the sites in an expanded format.
