Jeffrey,

It was so amazing to see you this mornin=I I was also very excited that you liked that ginger chocolates... ;)

I'm so sorry to bother you with my silly and insignifica=t problems, such as my hair!!.. anyway, I think you are right about it and I agree with you, no matter how PAINFU= it is to make this radical decision of cutting them off....

Could we ask Patrick to take care of it? I'm panical=y afraid of having my hair ruined by some random hairdresser that I don<sup>l</sup>=;t really know, while your hairdresser I think is the only one to whom I c=uld really entrust my hair.. last time I cut them short in [REDACTED] sever=l years ago, I hated it and said I would never do that again!! however, if=someone cuts them really professionally, I might even start liking the way=it looks...

Sorry again for bother!!!!
