Jeffrey-you, leon and I shld discuss. We obvious=ly want correct numbers and the proper level of oversight. Interesting ques=ion as to whether the trustees (a) put that person in the company or (b) have that expertise in the f fam office(not currently t=ere) which "charges" trust for services. Your suggestion is the =leanest but will present political problems.

The three of us shld discuss.

after the fifth review of the regan arts number. =A0 my suggestion. the trustees should replac= john murphy. with an acct that reports directly to them. =A0 works for them ,is loyal to them instead of a cohort of kei=h fox. loyal to the instituion of phaidon, judith regan etc. someone with publshi=g experieince, and experience . prferbaly family . not at a co tha= is a sub . shaping the numbers for anonymous shareholders or a broa= board with on ly cursory oversight.
