Joslin was hired to be an in house tax person. he is asper=ery as most really good tax guys are. He has few if any social skill=. . very common with the best tax types. =A0 He is and was not a CFO . He is a highly tuned tax machine. =His constant fighting with Ada and Eileen , was kept under somewhat of con=rol by Larry Delson whose sole job was to act as a social lubr=cant and my messenger. I pointed out in sept that throwing sand ever= day int he machine. would either wear it down or break it. He has b=en fearful of losing his job, so he follows directions though he totally d=sagrees with them. The , as Brad put it , Rube goldberg nature of so=e of the planning is getting worse , not better.
