Jeffrey,

The ████ tournament is=over and I had an amazing experience. Thank you for wiring 7k which enable=me to attend the tournament. And thank you for letting me stay in your gue=t apartment. I will be here until morning of Dec 11th. I want to confirm if your offer paying for the programming boo=camp still stands. I'm thinking to apply to school this month or at th= beginning of the next month. If I get accepted, the tuition for 12 weeks =rogram is 17,780. I would like to know if you still want to do that. =/div>

Information about the programming bootcamp can be=found here:
