Hi Peggy,

I am reaching out to inquire if you have heard from =effrey whether or not he will be able to attend. We would like to
ensure h=s name and any guest names are included on the list to ensure a seamless p=ocess upon entrance.

Let us know, and I hope you have a wonderful Thanksgiving.

Best,

Hi Jeffery –

I just wanted to follow up on a couple of notes. I have been coordinating with Richard Kahn (copied), and I have sent along to him the invoice and donation letter. So, we are all set on that front.

I also wanted to circle back around on Peggy's note below. Will you indeed be attending the ceremony this year? Also, you had indicated you would have three additional guests as well. If you are available to attend the ceremony, please let us know, as well as to provide us with the names of your three guests. (Security is extra tight this year, with honoring Al Gore and all, and everyone's names have to be on the list to attend).

Thanks so much, and look forward hearing more on this.

Best,
Steven

Hello Jeffrey –

I hope all is well with you. As per Peggy Siegal =80 s office, I have included here the invitation to the IFP Gotham Award= ceremony, which will be held on Monday, November 27 at Cipriani Wall Street in New York City.

This year's ceremony is going to be another =uccessful event. We couldn't be more thrilled with this year =99s impressive group of Tributees. The Actress Tribute will go to&nbs=;Nicole Kidman and the Actor Tribute to Dustin Hoffman. The D=rector Tribute will be given to Sofia Coppola, with the Cinema=ographer Tribute going to Ed Lachman. With the Industry Tribute, we=will be honoring Jason Blum, founder of Blumhouse Productions. And we simply couldn't=be more pleased to honor Vice President Al Gore with this year's special Humanitarian Tribute. With =ominees this year ranging from Willem Dafoe, Adam Sandler and Robert Pattison to Margot R=bbie, Lois Smith and Mary J. Blige, this year's ceremony looks to be the =ost star studded ever.

Please let me know if you have any questions.=u>
