Hi jeffrey-i just spoke to leon who is obviously supportive of creating a r=al financial model for Regan Arts. He agrees we should all stay away from =udith personally on all of this for the time being. After the model is "bu=lt"--which sounds like it will be pretty soon--leon and I will sit down wi=h judith to get (and understand) her basic assumptions which will drive th= model. This seems like a sane approach. (Obviously, I will get familiar w=th the details.) You ok with this path? B
