Dear Jeffr=y,

Be=ow is from an agent I really like. I dont know how it works =his way around though, sourcing business for client as opposed to employee=for business. If you have specific direction I can meet with him.

Below is wh=t he said when I reached out to him for architects.

Yes, we represent a n=mber of architects. Ranging from boutique hospitality to large corporates.=I imagine the most important thing to be able to make determination would =e to understand the aesthetic direction they want to take the project. If =t's not about aesthetics and they're just seeking an Architect of =ecord to stamp and seal construction documents, I know people who do that =s well.

Dear Rubin,

I have another question which I would like to ask you. A friend of mine is looking for an architect. It is for a very large scale residential project but due to the scale of the property and the sophistication of the client I tend to think of it more as a very small luxury boutique hospitality. Do you represent any architects?

Thank you and warmest regards,
