Lesley,

I submitted Mr. Epstein's guest list but YouTube is requiring that each guest complete the attached registration (see link and email). If not, they will not have access to the YouTube space tomorrow. It's a security issue. I did not want to take the liberty to complete the form due to the disclaimer.

Could you please complete the form for each of his guests? You can use your email address. Would you please let me know when this request has been completed?

Thank you,

Carolyn
