Hi Brice,

Unfortunately, The sea grapes that they have left are 54 to =6 inches planted height. Will this work for you?

no. Just 50.

I spoke to Jackie they don't have anymore 5 to 5 1/2 =eet sea grapes.

I will confirm with Brice, if he would =ike to purchase 50 of the 4 1/2 feet tall Seagrape.

The =ea grapes that they have left are 54 to 56 inches planted height. Will =his work for you?
