The official asking price is \$34M. We have priced this aircraft at Fair M=rket Value, based on trading values that we consistently follow. Avione=a is certainly welcome to write an offer on the aircraft. All reasonable =ffers will be reviewed and considered.

Bryan:

Avioneta management/principal is interested in the 30751 and believes strongly that the market is under \$30MM for the 30751. The price quoted is an outlier.
