Dear Jeffrey, I hope this note finds you well. I would like to send you the best wishes for the holidays and the year to come. Sending good vibes your way. May you have lots joy, happiness, fulfillment, love, fun, success and great moments to remember in 2015. =C2

I think last time we were in touch was 2011. =C2

I wish I would have made more of an effort to stay in touch and be a better friend. You were an amazing friend to me, regardless of my inappropriate behavior at times. I would love to get back in contact with you and stay in touch for a few reasons.

I am grateful for everything I learned from you, every single day. Simple because I use many things you taught me, and the results are amazing. I can't help but feel gratitude and deep appreciation of the time I spent in your company. I wish you could receive a fraction of the value you added to my life from me. I think it is possible...

In the last year I stopped drinking alcohol and matured a lot emotionally. I started eating healthy, exercising and meditating. I realized how important it is to take responsibility for my own happiness, it has to be something that I cultivate from within, regardless of outside circumstances. I realized I want to do what I love, be independent, completely self reliant and free to experience life.

I finally allowed myself to do what I wanted, regardless of prestige and status, and went to school for massage therapy. I wanted to do massage since I was 20, but didn't think it was a practical career. I completed 1000 hours, got certified in California =C2 and eligible for New York license. I am working for mobile massage companies (like uber for massage) and building a private practice. The more I do it the more I love it.

I know that your time and attention is very valuable and you may not have a lot to spare at the moment. That's ok. I would be happy just to email you every couple of months and you can reply with a one word answer or a symbol...

Thank you for being such an amazing person and bringing so much value, inspiration to this world and being the coolest person most people know. You rock Jeffrey!
