Jeffrey,
Dave is on Vacation for his daughters wedding July 20-30th.,(actual wedding i= July 28th in PBI).

I'm planning to do Heli Blade track all day tomorrow and return to N= Thursday at 10am.

Option 1
I could fly Paris trip on 18th with Chip,, I would airline to GIV for Test f=ights July 20th of Dual engine change and position the GIV in Islip,, I could leave Chip in Paris to cover the G550 and locate a contract 550 pilo= while I'm gone to cover any trips.
I'd return to Paris around July 23rd. After GIV is done and parked i= Islip.

Option 2
Chip and Dave fly Paris trip on 18th, then Dave airlines home for vacation o= the 19th.
I would return to Paris July 23rd ish, after GIV test flights.

Do you prefer any of these options?

Thx
Larry
