Btw as you know, Ariane asked me to build a small staff =80 for her. I actually want to create an executive office: strategy (including business development and international), external relations and public affairs, communication, corporate management. And of course CEO's agenda. Objective is to deliver.

Maybe staffed with around 10-15 people, all from the bank already. I would head the exec office. Would have to find the right title.

What do you think?
