Good morning.

Now that I have the construction schedule back on track and finally have the delivery dates for Artefacts set, I can now concentrate on this list.

I don't feel that that is necessary since some of the items already here are of good quality. But if you want all new that that is what we will concentrate on.

Also do you want Julia and I to do this together or do you just want my opinion on her choices?</iv>

Thanks,  
Gregory
