Spoke to Eric,.

Eric will know tomorrow if the chinchilla fabric cover for Divan arm rest is=in stock, if so he will manufacture a temporary cover for divan arm rest. = 1-VIP Valance above Sink is being worked on at this time,, 2-exact Bed foam like GIV will be installed in Seat cushion ,, but not cover=d in Fabric,, I'll store the original seat bottom cushion in baggage compar=ment in case you want to use as a Divan., 3-tray table cut out for handle complete 4-IPhone holder jiggle in works.
5-white Leather installed on baggage Compartment head bump cushion.
6-exposed edge on Divan Seat back cushion will have a piece manufactured to c=ver the opening when divan is used as a bed., 7-R/H Galley cover will be covered in White., to match counter top., 8-foam was used to eliminate tray table shake, rattle and roll issue

I think that covers everything Eric mentioned

All items above will be completed Friday night,, so I could fly the G550 to T=terboro if you elect to use for Paris trip?
