Subject: Je vacation
Morrison

Jeffrey

We installed new t-Stat on Boeing today, ops check good, this should address=the ice pellets you hear during takeoff.,

I spoke to Morrison today, he is not allowed to use vacation in January sinc= it's the charter companies busiest time., so he is not able training or fl=ght as contract basis., I have a couple of leads for copilot's in Boeing and use Dave as flight engi=eer possibly.,

Thx,
Larry
