The official asking price is \$34M. We have priced this aircraft=at Fair Market Value, based on trading values that we consistently follow.=C2 Avioneta is certainly welcome to write an offer on the aircra=t. All reasonable offers will be reviewed and considered.

Bryan:

Avioneta management/principal is interested in the 30751 and believes strongly that the market is under \$30MM for the 30751. The price quoted is an outlier.
