After speaking to Rich this morning, I understa=d you are frustrated with my work, I am also.

I have tried my very best to accommodate your needs for the multiply projec=s you have me working on simultaneously.

I agree that I am not being utilized to the best of my abilities but someon= has to manage all the moving pieces that the renovations at 66th street and the Artefacto order have set=off including the disruption to your guests

and the constant interruption of work flow that the coordination with every=ne involved takes on a daily basis. Everyone is looking to me for answers =nd I am trying to field them as fast as they arise.

I did send you some images I was able to cull f=om my own extensive library for the Cabana's but I received no feedbac=.I have a few photos for the entry and even less for the dining room becaue what your asking for is not easy to find and requires lengthy in depth r=search.

I have been doing that research in between jugg=ing Anthony, the buildings issues and renovations, ██████████ and her move out= so that her floors can be finished and move Julia in, so they can start h=r renovation and organize the Artefacto delivery with all the tenants invo=ved, for the 5th, 6th and 7th and they just screwed up the first delivery =o Palm Beach, so their track record is poor, at best.

I totally agree that this is frustrating and I =m doing my very best to to accommodate all of your needs for these multipl= projects but I need a sense of clarity from you of what is the most impor=ant thing for me to be working on and I will focus all of my laser attenti=n on that. I still feel that I can help you realize what you want and if y=u let me use my talent to better use you will not be disappointed.

Gregory
