I=E2◆◆I'll send you some of his papers soon. He seems like an ideal candidate to join the team and is looking for a research scientist position currently. Had the first interview and he passed with flying colors in term of technical depth, experience and attitude.

This would be the first guy to join the team researching plant sentience I'= like you to fund if you are still interested.

He=is coming back next Thursday for more in-depth brainstorming and design of=experiment review with us.
