**Subject:** My house Wi-Fi Still not working-OK for James next week?

My house Wi-Fi is still super sketchy. Up and down constantly last week. I =80 ve been "speaking" with James and he believes all our e=uipment is old (4 years) and we need to upgrade all and move on from the Ap=le airports, etc. he has asked for my floor plans to devise a plan. He say= he can come out next week to my house and work on this(even though I =99ll be away). Would this all be ok? Lesley
