Hi Friend

I did not tell you, I'm preparing a bond issuance (35-45 M€, maybe a small part of it equity, 6% coupon, plain vanilla for the rest) for a stocklisted company (Euronext BUP) probably early September.

I already have 30 M€ committed in the shadow book, and some nice Hedge Funds (Athyrium, Highbridge) working with me on it.

Anyone you think I could talk to on your end?

Dont know if healthcare and small caps are in your scope of interest

good to see you anyways, Jack and Monique super happy about all the trip

cheers
