Noam re=eived these two checks from Pershing. But in the checks is written &=uot;As per your request" from Carol Chomsky Non-exempt and Exempt Tru=ts, respectively (attached).

The observation &quo="As per your request" is misleading, because it seems Noam is request=ng the amounts, therefore they would be coming from principal -- while the= should refer to the mandatory income that Noam is entitled to receive.

Should the checks be deposited in our joint account?=/div>
