The layer one team has made it clear that they don't want to proceed until they know who you are.

What do you think=the best option is?

The=way I see it, a couple options (not mutually exclusive)

1) ultimatum on you being anonymous

<=div dir="auto">2) tell them & explain that you're ok. I think they'd listen, unclear how they'd react.

=) have them meet with you face to face in NYC

4) if=you're friendly with Tarrant, and they would co-invest with you, call him up and ask if he'd vouch for you being ok or for you to stay anonymous. (he's a family friend of one of them)
